

## **ALCAT Food and Chemical Sensitivity Test *Insurance Reimbursement Information***

### **Important Information**

Cell Science Systems/ALCAT laboratory does not accept Medicare, Medicaid, United Healthcare, BCBS (IL, NM, OK, TX) or any HMOs. All tests are billed to insurance companies at List fees. Patients are responsible for all deductibles, coinsurance and denials.

### **Verify Coverage**

Contact your insurance company and indicate that you would like to verify coverage for the ALCAT Test.

- Does the policy provide *Out-of-Network* laboratory benefits?
- Is there an *Out-of-Network* deductible? If yes, has it been met?
- Does the policy provide coverage for *CPT Code 83516*?
- Is there a limitation on the number of units that can be billed for this procedure within a certain time frame?

### **Cell Science Systems/ALCAT Laboratory insurance billing requirements**

Complete requisition form with physicians signature required for all insurance billing.

- Check **Insurance** in the “**Bill To**” section of the CSS requisition form.
- Provide credit card information for 20% co-payment and any unpaid balance.
- Provide all requested patient information on CSS requisition form.
- Include patient D.O.B and name of insured.
- Include appropriate ICD-9 diagnostic codes.
- Provide photocopy of front and back of insurance card.
- Physician signature.

### **F.A.Q**

If my insurance company pays for the entire test, what happens to my 20% co-pay?

*-Your co-pay will be refunded*

If my insurance company does not cover this test, what options do I have?

*-CSS offers a flexible payment plan*
