

## **ALCAT Food and Chemical Sensitivity Test Insurance Reimbursement Information**

Cell Science Systems, Corp. does not accept/file Medicare, Medicaid, Tricare or any HMO's. CSS bills all tests to insurance companies at list fees. Patients are responsible for all deductibles, co-insurance and denials.

### **Cell Science Systems/ALCAT Laboratory insurance billing requirements**

Complete requisition form with physicians signature required for all insurance billing.

- Check **Insurance** in the “**Bill To**” section of the CSS requisition form.
- Provide credit card information for 20% co-payment and any unpaid balance.
- Provide all requested patient information on CSS requisition form.
- Include patient D.O.B and name of insured.
- Include appropriate ICD-9 diagnostic codes.
- Provide photocopy of front and back of insurance card.

### **Verify Coverage**

CSS offers a free insurance benefits verification service for healthcare providers. Account Activation required. Please call for details.

\*This service is NOT a guarantee of payment.

Please contact your insurance company and indicate that you would like to verify coverage for CPT Code 83516/ALCAT Test.

- Does the policy provide Out-Of-Network laboratory services?
- Is there an Out-of-Network deductible? If yes, had it been met?
- Does the policy provide coverage for CPT Code 83516/ALCAT Test?
- Is there a limitation on the number of units that can be billed for this procedure within a certain time frame?
- If healthcare provider billing directly- verify coverage of outside laboratory service.

### **F.A.Q.**

#### **If my patient does not have adequate coverage, what options do I have?**

CSS offers a flexible payment plan.

\*Please verify coverage, check state/scope of practice regulations prior to filing any insurance claims
